CLINICAL EXPERIENCE

Child Protection Team Social Worker (Internship)

Jan 2025 – July 2025

Emergency Medicine, Oklahoma Children's Hospital, Oklahoma City, OK

- Collaborated with Child Abuse Providers in assessing for child maltreatment in a Freestanding Multidisciplinary Team through interviewing caregivers and collaterals for psychosocial histories.
- Independently interviewed children and youth during maltreatment assessments to obtain additional contextual information regarding the alleged abuse or neglect.
- Provided immediate assistance to families including firearm locks, medication lock boxes, psychoeducation, and completed psychotherapy referrals as indicated/requested (e.g., PCIT, TF-CBT, PSB-CBT, AF-CBT).

Student Mental Health Professional (Internship)

Aug 2023 – May 2024

Monroe Elementary School, Norman Public Schools, Norman, OK

- Developed and facilitated a 10-week psychosocial group for older elementary-aged boys to educate and provide support on friendships, masculinity, anxiety, and anger.
- Facilitated numerous structured, psychosocial groups for elementary-aged students focusing on various topics including anxiety, anger, friendships, bullying, social isolation, and challenges with parents/caregivers.

- Conducted scheduled and as-needed individual and group support for elementary-aged students for numerous concerns including friendship difficulties, oppositional and aggressive behaviors, bullying, parental substance abuse, and anxiety.
